1. Talked with I regarding a letter he had					
written concerning some internal strife among Roumanian leaders in					
this country. He informed me that this matter was currently in abey-					
ance but might break loose in the press. These matters involve feuds					
between Gen. Radescu and Messrs. Vitianu and Creztianu regarding					
certain Roumanian funds allegedly in the possession of the latter.					

2. Talked with Mr. Norris, Executive Secretary of the Loyalty	
Review Board, regarding one of our loyalty cases 25X	1C
He agreed to attempt to make special arrangements so that CIA interest	
in the case would not be indicated.
